

# Questions to ask your dermatologist.

Here are some questions to help you get the most out of your next dermatologist appointment.

**01** ----- ● **What stage of HS am I in—and how does that affect my treatment options?**

**02** ----- ● **What are some signs that my HS is getting worse?**

**03** ----- ● **Can you explain how inflammation inside my body contributes to my HS?**

**04** ----- ● **What are the latest treatments for HS?**

**05** ----- ● **What can I do to help manage the emotions that go along with living with HS?**

**06** ----- ● **How can I reduce my pain and discomfort?**

**07** ----- ● **What are the best ways to ensure I do not get an infection in one of my affected areas?**
